

HIP HOP PROGRAM

Hip Hop Flyer Night: THE VISUALS THAT PAVED THE WAY

Join hip hop historians **Paradise Gray** (Latin Quarter), **Pete Nice** (3rd Bass), and **Ron Lawrence** (Founding Fathers) for a panel discussion on the importance of the hip hop flyer and how it helps support the hip hop timeline. We extend a special invite to all the creators, promoters, club owners, DJs, and distributors of these important documents. Come see a large display of hip hop flyers and listen to the sounds of legendary Queens hip hop pioneers **Infinity Machine** (DJ Divine and DJ Kendo).

Bring your own flyers and join in on the conversation. Ralph McDaniels will moderate.
